If your volume is too low, you may try the following 4 things:

1. At the left bottom of You Tube, unmute and increase volume to the maximum
2. At the bottom right hand of your computer where the time is located, increase your volume to 100%
3. In You Tube, go to top right, click on the 3 dots in upper right corner, click “more tools”, click “extensions” and search for volume booster
4. Using headphones may provide better sound quality
5. Click on closed caption
