

Garden State **COMMUNITY OUTREACH**

In 2018, the Murphy Administration set out to fulfill the Governor's promise to create a stronger and fairer New Jersey. Together with partners in the Legislature, many new cost-saving and life-changing programs have been created. Garden State Community Outreach connects families with these new resources and many more. Scan the QR code below and use the program finder on our website to help identify which programs you may be eligible for.

ABOUT

The State of New Jersey has an array of resources to help residents and their families thrive. To ensure residents have the tools to access these critical resources, the state has made an investment in an outreach program. The outreach program will promote resources across multiple departments, including:

- ▶ Department of **Human Services**
- ▶ Department of **Children and Families**
- ▶ Department of **Health**
- ▶ Department of **Community Affairs**
- ▶ Board of **Public Utilities**
- ▶ Department of the **Treasury**

WHAT TO EXPECT

Canvassers will help residents by:

- ▶ **Educating** them on the resources available to them
- ▶ **Checking** their eligibility
- ▶ **Walking** them through application processes
- ▶ **Answering** questions about critical resources

Our team will:

- ▶ Wear reflective vests
- ▶ Wear identification badges
- ▶ Leave behind informational materials

Some resources that will be promoted are:

**Healthcare
Access**

**Economic
Assistance**

**Food
Assistance**

**Utility
Assistance**

**Other Critical
Resources**
