PUBLIC SAFETY ANNOUNCEMENT

Following the September 25-27 nor'easter which brought multiple rounds of tidal flooding to the area, the City of Somers Point Volunteer Fire Departments are urging all residents **NOT TO USE OR CHARGE** any e-scooter, e-bike, or other battery-powered equipment that was exposed to floodwater. We urge you to move the equipment out of and away from any structure. Contact the equipment manufacturer for instructions on how to proceed before using or attempting to charge the potentially damaged battery again. In the event you see a battery smoking, overheating or making unusual sounds, evacuate the area and call 911 immediately. If you have any questions, feel free to reach out to the City of Somers Point Volunteer Fire Department at 609-927-9088 ext. 132.

Regards,

Mayor Dennis Tapp
