This is important information, which you should save and refer to, as necessary.

It is important that you follow the guidelines indicated in this newsletter, so that all sanitation and recycling collections can be made in an orderly fashion. That way, our sidewalks and streets will not be cluttered with items which are not on the collection schedule.

**\*If any materials are placed out before the 24 hours of your normal scheduled pickup, you may be issued a Summons and subject to a fine!**

If you have any questions about the collection schedule, please contact the Public Works Department at 927-4048, before you have placed the materials out for collection. Collection information is available at [www.Somerspointgov.org](http://www.Somerspointgov.org).
